Micro Tweezers

Ref. PA120-B

Packing List

The following items should be included:

Micro Tweezers 1 unit
Ref. PA120-B

Manual 1 unit
Ref. 0019081

Features

Control Unit

Stand
Ref. PA-SD

C120 Cartridges
(Required but not supplied)

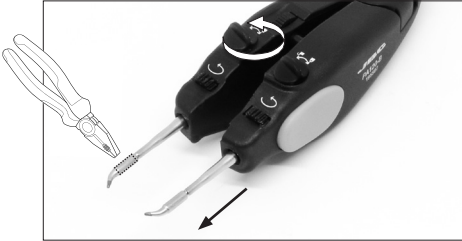

Micro Tweezers
Ref. PA120-B

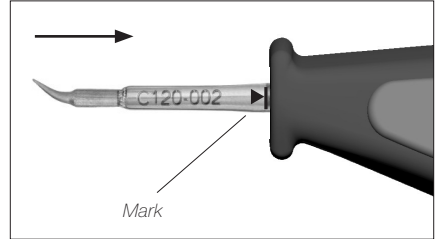

Changing cartridges

1. Removing

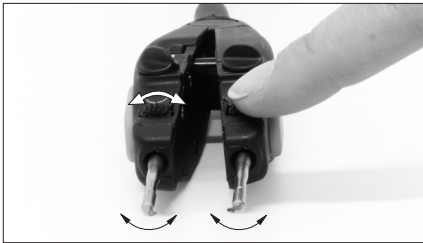

Unlock the manual fixing and remove the cartridge. If is necessary, you can use a flat pliers (Ref. PLR-195).

2. Inserting

Insert the cartridge as far as the mark for a proper connection. Before inserting, make sure the cartridges are clean to ensure the proper function of the rotational aligning.

3. Rotational and Vertical aligning

For a rotational alignment, turn the cartridges in any direction through the wheels.

⚠ Don't forget to lock the manual fixing.

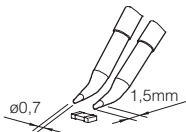

The tail wheel guarantees that the cartridges are equally aligned with vertical symmetry.

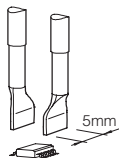

Compatible cartridges

The **PA120-B** Micro Tweezers works with **C120** cartridge range.
