

# SSI Schaefer LF Series

GWP Conductive > SSI Schaefer > SSI Schaefer LF Series

## Conductive picking bins

### ESD safe shelf bins / containers

Providing the perfect balance between strength and protection from Electro Static Discharge (ESD), the LF (German word "Lagerfix" meaning box for easy access) Series bins are the most durable / long lasting picking solution available.

The wide range of sizes have been designed to work seamlessly within your existing racking or warehouse setup, and can be wall mounted using louvred panels. The tough Polypropylene material and easy clean surfaces also enhance their longevity, whilst the stacking lugs and recessed hand grip aid usability too.

## Features and benefits

### Key benefits of SSI Schaefer LF Series

- Eliminates damage from static and / or mishandling
- Resistant to water, oil, and grease
- Stable from -20° to +100° Celsius
- Extra strong, moulded polypropylene material
- Designed to work with your existing racking/warehouse setup
- Can be mounted on louvre wall panels to maximise space
- Recessed handgrip on reverse panel for easy manual handling
- Easy to clean surfaces further boost lifespan
- Stacking rims enable more efficient use of space
- Availability in both high and low volumes
- Extensive stockholding allowing for 24-hour dispatch

## Technical and performance

### SSI Schaefer technical details

#### Specific Resistance Properties

Conductive polypropylene (PPL)	PPL
Specific volume resistance	10 <sup>3</sup> Ohm x cm
Specific surface resistance	10 <sup>4</sup> Ohm

## Size table

### Dimensions and product options

Please see below for a full list of model numbers, sizes, and additional information.

Brand	Part No.	Internal Size	Capacity	Louvre
SSI Schaefer	LF 110	65 x 91 x 44 mm	0,26 l	✓
SSI Schaefer	LF 211	135 x 88 x 67 mm	0,8 l	✓
SSI Schaefer	LF 221	191 x 128 x 111 mm	2,6 l	✓
SSI Schaefer	LF 321	294 x 182 x 133 mm	7,2 l	✓
SSI Schaefer	LF 322	294 x 183 x 185 mm	10,0 l	✓
SSI Schaefer	LF 351	292 x 430 x 129 mm	17,0 l	
SSI Schaefer	LF 532	445 x 279 x 185 mm	23,0 l
